Press Release – For immediate release

DIGITS LLC Appoints 22 year law enforcement veteran as President and Chief Executive Officer.

Locally owned / Internationally Known

Buffalo, NY. — July 1, 2011. Digits, LLC , a leading Computer Forensic Consulting firm located in western New York, announced the election of Michael McCartney as President and Chief Executive Officer after his retirement as Assistant Chief Investigator of the New York State Attorney General's Office.

"Given the increasingly important role that technology and forensics plays for management, company stakeholders, and the legal community around the world and across all industries, we are thrilled to have Michael lead our young Company. Michael is one of the foremost experts in computer forensics and corporate computer investigations. Michael is internationally recognized as leader in this exciting and challenging field," said James Domres, Senior Vice President and Chief Operating Officer.

"Michael's drive, energy and focus, coupled with his diverse 22 year law enforcement career, will greatly assist DIGITS LLC in navigating the new and unique challenges that lie ahead, so that DIGITS can make an impact on the many threats in the cyber-world" said Ray Nowicki, CPA, DIGITS LLC Chief Financial Officer and founder of Nowicki and Company, LLP.

"I am honored to be elected to serve as Chief Executive for this progressive and innovative company. Throughout my career, I have personally witnessed the incredible impact that professional computer forensics investigative expertise has had on the industries they serve and I look forward to helping grow DIGITS LLC to a global force." said Michael McCartney.

Michael is a highly decorated member of the law enforcement community having served as the Assistant Chief Investigator for the New York State Attorney General's Office as well as five years with the United States Attorney's Office for the Western District of New York. He has been responsible for some the nation's largest computer crime investigations both nationally and internationally. Michael has served on several national and international Boards overseeing computer crime and computer forensics standards and policy. He is a sought after speaker and recognized expert witness by Courts throughout the United States and Canada. See <http://www.digitllc.com/bio-mgm.100010.content>

About DIGITS LLC – With offices in Buffalo and in West Seneca, NY, our core business is designed to help our clients take full advantage of today's information technologies while guarding against the ever-changing threats posed by those very
